CUSTOMER RESPONSIBILITIES

Property must be accessible to the 'trapper' during daylight hours Monday thru Saturday. Customers are responsible to report any new activity on the property that occurs at least 50 feet from current traps. If no traps are currently set it is the customers' responsibility to report new mole/gopher activity. Payment is due UPON RECEIPT of invoice. Balance is past due after 30 days and will incur 10% interest after 90 days. Service Charge is non-refundable after traps have been set. The minimum contract term is two (2) months. Service rates cannot be pro-rated. Traps will be serviced on a weekly basis. At times, traps may be serviced more than once per week.

I, the customer, understand my responsibilities and fees as per this contract. _____ (Initial)

Please DO NOT handle the traps or flags. It is necessary that all rodents are counted and removed by our technicians.

The above prices and conditions are satisfactory and accepted. Oregon Critter Patrol Inc. is authorized to do work as specified. I agree to pay the amount stated above throughout the service agreement.
